

# BUSINESS OFFICE

The Business Office provides a variety of services, beginning with the registration process, benefits coordination, referrals, and the PRC/CHS program.

## Services

The Business Office provides these services:

- Registration for healthcare services from the NTHWC
- Updating your registration information
- Certified Tribal Assistants to help with the application process for Apple Health (Medicaid) or a qualified health plan within the Washington Health Plan Finder
- Referrals to off-site providers for specialty services
- Assistance with applying for Medicare or disability coverage
- Onsite Washington State case worker, to assist with DSHS program assistance coverage applications.
- The PRC/CHS program, for those who qualify
- Purchase order numbers for purchased referred care
- Assistance with your medical bills, and collections
