

# Our Values

**Team:** We believe in working together as a team – safely, responsibly, and productively.

**Public Service:** We are committed to providing the highest level of service to the Nisqually Tribe Community and visitors.

**Respect:** We believe that respect for the public, the environment, our resources and our colleagues defines our department.

**Innovation:** We believe that no challenge is too great if we work together using innovative methods and ideas.

**Dedication:** We are dedicated to creating and maintaining safe and cost-effective public works systems for the people of the Nisqually Tribe.

**Excellence:** We strive to provide outstanding services by using the tribe's resources effectively while protecting and preserving our environment for generations to come.
